1) KNOW THE ANSWER

Know the answer or know how to find the answer, and you must know when you know
2) COMPELLING PICTURE

We cannot create something we cannot conceive. Create a picture of the opportunity that provides a compelling roadmap.
3) CREATE COMMITMENT

The picture you paint, and the your confidence in your vision, will build commitment in your team, customers & market.

4) ACKNOWLEDGE REALITY

Seeing present reality as it emerges is critical to success. Put your ego aside and face the good, bad and the ugly.
5) TARGETED PLANS

Once you are committed, and have acknowledged reality, it is time to create targeted plans and feedback systems.
6) COURAGE TO ACT

Knowing the answer empowers your courage, but there will be detractors if you are ahead of the wave.
Learn to be in “The Zone,” it may be a curve ball coming towards you. Develop the habit of reflection.
It is not enough to have a few of these right; all seven must be in place, combined with constant mindfulness.
Thank you for attending
