Technology Values of Cloud-Ready Companies

- A desire to limit capital expenditures
- A lack of interest in managing data or servers
- A want to focus solely on their business, not IT
Contingencies for Cloud Computing

- How to sever your ties (service level is poor, your requirements change)
- How do you get your data back (how much data and in what format?)
- Plan for internet outages
Benefits of Cloud Computing

- Fixed and predictable maintenance costs
- No cost updates/upgrades
- Built-in backup and disaster recovery
- Pay for what you use
How to Start Your Ascent to the Cloud

General business services

- Phone
- Email
- Document Storage/Sharing
- Backup
